

Attachment 3 – Used EASA aircraft from Non-Member states

Issue of a Danish Form 25 Certificate of Airworthiness

According to Part 21, Section A, Subpart H.

Attachment 3 is applicable to used EASA aircraft imported from non-member states with a valid Export Certificate of Airworthiness or an Export Statement.

The following documentation shall be sent to the PART 21 for the issue of the first Danish Certificate of Airworthiness and Airworthiness Review Certificate (ARC).

Please note that document numbers 31.1, 31.2., 31.3, and 31.6 shall be available at the inspection of the aircraft. The documentation shall be forwarded as complete as possible in one sending and numbered according to Attachment 3. You may deliver the documentation on an USB flash drive or via Dropbox, WeTransfer, Hightail or a similar website, but only with direct download without login.

The application and link to the documents to be sent to:

Trafikstyrelsen/ Danish Civil Aviation and Railway Authority

Attn.: PART-21

Carsten Niebuhrs Gade 43

DK-1577 København V

E-mail: import@trafikstyrelsen.dk

Website: www.trafikstyrelsen.dk

We will deal with the application as soon as possible upon receipt of the complete technical documentation.

Fill in check boxes for the documentation that you deliver with Attachment 3 and account for any missing documentation in the customer column (left). Note N/A for not applicable with an explanation.

Further documentation may be needed due to observations in connection with the review of the technical documentation or the physical inspection.
